### Ward Off Your HAZARDS!!!

#### ABOUT ASCENTECH ENGICON PVT. LTD.

ASCENTECH ENGICON PRIVATE LIMITED is part of a corporate conglomerate headquartered in Raipur, Chhattisgarh with interests in a variety of industrial verticals. Having commenced its illustrious journey almost 53 years back with a Petrol Pump, the group has successfully ventured into automobile trading, real estate and is also currently one of the most accomplished media houses with one English and one Hindi mainline dailies with a reasonable circulation. The illustrious group is also running one of the most active NGOs and has successfully completed many Wadi Projects on water harvesting, soil conservation, plantation and many projects on AIDS awareness as part of its continuous commitment to social transformation.

ASCENTECH ENGICON PRIVATE LIMITED with Head Office in Raipur started functioning from January 2016 to carry out business primarily in the following fields:

- Competent Person under Factories Act – Third Party Inspection, Statutory Testing, Examination & Certification of Lifting Tools & Tackles, Cranes, Hoists, Lifts, Pressure Vessels and Pressure Plants under the provisions of Factories Act, 1948 and Factory Rules.
- Conduct Stability Test and Certification of Industrial Buildings and Structures under the provisions of Factories Act, 1948 and Factory Rules.
- Safety Audits by DG FASLI certified Experts, HAZOP study & Risk Analysis, Electrical and Fire Safety Consultancy, Safety Training
- Non-Destructive Testing (Ultrasonic Testing, Magnetic Particle Testing, Dye Penetrant Testing)
- Condition Monitoring of Plant & Machinery
- Vibration Monitoring/Analysis, Static and Dynamic Balancing of Roto Dynamic Machines
- Energy Audit of Boilers, Furnaces, Heat Exchangers, Electrical Installations, Buildings

ASCENTECH ENGICON, an ISO certified organization intends to cater as a one stop industry and safety consulting solution provider to the vibrant and dynamic industrial clientele in Chhattisgarh. We comprise of a team of experienced and dedicated Engineers, DG FASLI certified experts, NDT ASNT Level II qualified experts and Administrators. This unique combination of professionals from different specialties and the wide range of testing services offered by us ensure that our clients are benefited by adequate engineering, technical advice and a cost effective test regime that complies with various standards, codes and statutory regulations. We follow a '4R' formula of Right Quality, Right Service, Right Price at Right Time for our successful growth. But we are of the belief that quality has no end and there is always scope for improvement.

We feel extremely happy to state that within this short span of 2 years, we have achieved a good name and fame in our above field of work and have earned a tremendous trust amongst our valued clients all over India.

#### OUR VISION, MISSION & VALUES

To become a leading consulting conglomerate with maximum impact catering to all categories of industries within and beyond Chhattisgarh.

We shall achieve this with our complete commitment to client requirements and consistently exceeding client expectations with high quality delivery at competitive cost and maximum ROI.

- Authenticity – Being genuine and your best self
- Honesty – In all things and to all people
- Integrity – Do what we say and say what we mean
